## 1. Instructions

- 1.1 The Customer will place an Order orally or in writing, which AFX may accept orally or in writing. Each Order will be subject to these Conditions. AFX will not be obliged to accept an Order and may refuse to do so without giving any reason. AFX will have no liability to a Customer for any resultant loss or damage suffered by the Customer or any other party as a result of AFX's refusal to accept an Order. No agreement for the Service will come into force until the Order Confirmation. Each Order, if accepted by AFX, will constitute a separate severable agreement.
- 1.2 The Customer acknowledges that AFX may record and store all telephone conversations with or without an automatic warning tone. AFX reserves the right to produce and store a transcript of the recorded telephone conversation and use either the transcript or the recording of the telephone conversation for the purposes of verifying the details of an Order or to resolve any disputes between the Customer and AFX in respect of the Service.
- 1.3 The Customer agrees that he/she will be solely responsible for ensuring, and will ensure, that the details he/she supplies to AFX to enable AFX to perform the Service, including without limitation the Customer's contact details and the details of the Order and of any Account, are true and accurate and will not withhold or omit any information that would render those details false or inaccurate. The Customer agrees to notify AFX immediately if he/she becomes aware of any error or change in the details he/she has supplied to AFX.
- 1.4 Once AFX has issued a Contract Note to the Customer, the Customer must notify AFX of any error or omission in the Contract Note within 48 hours of its receipt. Thereafter, the Customer will be deemed to have ratified and accepted the Contract Note, and will not be entitled (in the absence of manifest error) to dispute its contents.
- 1.5 AFX reserves the right to cancel the Agreement in the event of an error or omission in the Contract Note.

- 1.7 The Customer authorises AFX and/or its representatives to contact his/her bankers or any other source to obtain references or any other information they require in relation to the Service.
- 1.8 The Customer will supply to AFX, on request, a specimen signature. A signature substantially resembling the specimen will be sufficient for AFX to authenticate an instruction as being from the Customer.

## 2. The Service

- 2.1 The Customer warrants that he/she has full capacity to place an Order and that, in so doing, he/she is acting as principal only and not as agent for any third party whose identity has not been disclosed to AFX at the time the Order is placed and that each Order is for non-speculative purposes only. The Customer further warrants to take physical delivery on the Value Date of the purchased currency after payment to AFX of the Sale Currency in full and in cleared funds.
- 2.2 AFX cannot provide the Customer with any investment advice including, without limitation, advice on the merits of a particular Order or its likely implications, nor can AFX advise the Customer on any investment products. The Customer warrants that in placing an Order, he/she has relied purely on his/her own judgement and has not relied on anything not expressly contained within these Conditions. No Order may be altered, cancelled or withdrawn following Order Confirmation without the express written consent of an AFX director.
- 2.3 AFX reserves the right to require written confirmation of any Order or Customer instruction.

## 3. Financial provisions

- 3.2 In the event of a Forward Trade, the Customer will immediately pay into the Nominated Account in cleared funds a Margin of 10% of the full amount of the Sold Currency, or such other percentage as AFX may specify, and will pay any outstanding balance of the Sale Currency into the Nominated Account not later than two Working Days before the Value Date of the particular Forward Trade.
- 3.3 In the event of a Same Day Trade the Customer will pay the sale currency into the Nominated Account by no later than 12.00 (noon) on the next working day, unless AFX stipulates otherwise.
- 3.4 Unless otherwise specified in writing by AFX, all payments due from the Customer to AFX pursuant to these Conditions will be made in the currency specified in the Contract Note without set-off, counterclaim or deduction whatsoever.
- 3.5 AFX will make any payments to the Customer under an Agreement in full unless required by law to deduct sums in respect of any taxation liabilities.

- 3.8 The Customer undertakes that the Margin or such other funds to be provided as security for the Customer's obligations hereunder will be beneficially owned by the Customer and will not be subject to any charge, lien or other encumbrance and the Customer will not create any charge, lien or other encumbrance over any funds so provided.

- 5.1 The following provisions set out AFX's entire liability to the Customer for any losses, costs (including legal costs), damages, expenses, taxes, charges or any other liability whatsoever ("Claim").
- 5.2 The limitation and exclusion of liability is set on the basis that the Customer is aware of the volatility of the foreign currency market.
- 5.3 AFX will not be liable to the Customer for any Claim which arises as a result of currency fluctuation between the Order Confirmation and the Value Date, or as a result of the Customer's non-compliance with Condition 1.3 above.
- 5.4 AFX excludes all further liability including indirect loss that for the purpose of these Conditions includes loss of profits, goodwill, anticipated savings, loss caused by the failure or delay of any third party in the transmission, provision or delivery of any Service or any other type of special, indirect or consequential loss (including loss or damage suffered by the Customer as a result of an action brought by a third party) even if such loss was reasonably foreseeable.

- 6.5 AFX may amend these Conditions by notice in writing to the Customer at any time and such amendment will be binding with the agreement of the Customer from the date of such notice. Any such amendment will not be retrospective or affect any rights or obligations that may already exist in respect of any Order.
- 6.6 Should any of the Conditions be deemed unenforceable or illegal, the remaining Conditions will nevertheless continue in full force and effect.
- 6.7 The Customer may not assign or otherwise transfer the benefit of any agreement without the express written consent of AFX. AFX may assign and/or transfer its rights and obligations under the Conditions to any third party and the Customer hereby consents to any such assignment or transfer.
- 6.8 Any failure by either party to exercise and any delay, forbearance or indulgence by any party in exercising any right, power or remedy under this agreement will not operate as a waiver of that right, power or remedy or preclude its exercise at any subsequent time.
